Education

Xi'an Jiaotong-Liverpool University

BSc Financial Mathematics

2023–2027

Professional Experience

E-commerce, National Distribution Management & Sales Operations Intern

Philips (China) Investment Co., Ltd.

2026.07–Present

- Maintain operating data for Dewu and Tmall Supermarket, including daily sales collection and month-to-date reporting.
- Support operating dashboards and analysis covering categories, selected models and SKUs, and Dewu weekly product rankings.
- Consolidate distributor sales and inventory information and support purchase-sales-inventory analysis.
- Maintain marketplace brand-protection monitoring records across Dewu, Pinduoduo and Taobao; identify potentially unauthorised stores and support subsequent coordination.

I&I Patient Solutions Team Intern

Pfizer Investment Co., Ltd. (Pfizer China)

2025.09–2026.06

- Cleaned and organised core programme data for the AD 10,000 Q&A Programme, covering 645 physicians, 435 hospitals and 22 provinces.
- Maintained dashboards tracking monthly active patients, Q&A reads and completion rate; supported the Programme 2.0 launch through cross-functional collaboration.

Selected Projects

China International College Students' Innovation Competition — Project Finance Leader, 2024.01–2025.06

Built one- to three-year financial forecast models; supported financing-plan design and developed a risk early-warning framework.

Cyprus Mental Health Outreach Project · Altius Mind Institute — Core Team Leader, 2024.06–2024.09

Developed an audience strategy, non-monetary incentives, a micro-influencer model and a phased landing-page conversion approach.

Research on the Conceptualisation and Measurement of HeXie Mindset — Team Leader, 2025.06–2025.09

Defined the construct, generated 30 initial items and established a six-item scale for talent-selection and leadership-development applications.
